WELCOME TO AWAY SUPPORTERS

Is this your first visit to Sutton?
It's our second season in the Football League and we know our ground still needs some work to stand comparison with most of the other stadia in the division but we have been working very hard on it, particularly the visitors' accommodation. However, you will always enjoy a warm and friendly welcome at the VBS.

BY CAR

Travel along the M25 to junction 8. Then north on the A217 for about 15-20 minutes. Stay on the A217 to the traffic lights with the Cheam Road (A232) and turn right toward Sutton. Do not turn into Gander Green Lane, keep going until you reach the Sutton one-way system and turn left into St Nicholas Way and then left again into the Gibson Road municipal car-park. It is then a relatively short walk down Collingwood Road to the away end of the stadium.

Away fans should park in Gibson Road, the local municipal car-park (SM1 2RF). It takes no more than fifteen minutes to walk from Gibson Road to the stadium and the route brings you in at the east end of the ground, The Collingwood Road End, which is the area reserved for away supporters.

BY TRAIN

It is recommended that visiting supporters use Sutton station, which is served by regular services out of Victoria and London Bridge and is at the top end of Sutton High Street, about 20 minutes' walk from the ground.

West Sutton railway station is adjacent to the ground. It is served by Thameslink trains via Wimbledon or Sutton but trains are less frequent. Come out of West Sutton station and turn right into Gander Green Lane and the ground is about 100 yards further along.
