In order to assist our staff and stewards, and to help protect you and your fellow spectators, you are kindly requested to follow the guidelines below. We know it's still not what any of us want, but these guidelines are here to protect us all and ensure our continued freedom to stage football matches with spectators present.

Any spectator who wilfully ignores any reasonable request to maintain appropriate social distancing may receive a warning, do it again and you will be asked to leave. The Club reserves the right to refuse admission to future games to persistent offenders in order to protect other spectators.*
